

SM8000i INTELLIGENT QUIET REMOTE CONTROL INVERTER GENERATOR-7000 Rated/8000 Max. Watts

Quiet. Compact. Powerful.

Designed just for silent power. The AiPower SM8000i inverter generator is your great choice for your standby power source for residential use or outdoor events like concerts, camping trips, tailgating, RV's, outdoor work and more. With AiPower up-to-date inverter technology and high efficient and environment friendly powerful engine, together with its unique silent cover and cooling system, this generator provides clean, quiet 8,000 starting watts and 7,000 running watts. It's the first intelligent inverter silent generator which powers up to 8kW in the world. The generator features less than 2% T.H.D., which meets your demands to power your precision electronics. Its intelligent control moduel can auto-adjust engine speed on its load so to save fuel, lower noise and reduce emission.

MODEL SM8000i		
Watts	Rated Watts	7000
	Max. Watts	8000
Generator	100% Copper Coil	√
	AVR	√
	AC Load (Volts)	230
	Phase, Frequency	Single,50Hz
	Max.Amperage	34.78
Engine	Starting Method	Manual/E-start
	Engine Type	OHV, Air-Cooled, Gasoline
	Engine Model	Senci
	Displacement cc	459
	Horse Power hp	16
	Low Oil Shut Down	Automatic
	Fuel Tank Capacity (L)	26
	50% Load (Hrs)	10.5
	100% Load (Hrs)	6
	Built-in Fuel Gauge	√
Engine Oil Capacity	1.0L	
Control Panel	3-in-1 Light	√
	Low Oil Alert Lamp	√
	Circuit Breaker (A)	1P-16A, 1P-32A
	Remote Control	√
	Parallel Output	√
	Eco-Throttle	√
	Socket	1x250V/16A, 1x250V/50A
	USB Port	√
	DC Port	√
Others	T.H.D.	<2%
	Battery	12V / 14AH
	Wheel	4x7"
	Spark Plug Socket	√
	Plug	1x250V/16A, 1x250V/50A
Packing	Net Weight (kgs)	111.5
	Gross Weight (kgs)	115
	Packing(L*W*H,mm)	700*610*700
	Q'ty (20GP/40HQ)	81/171

FEATURES

ULTRA QUIET - LESS THAN 75DB

With AiPower high efficient environment friendly powerful engine, this generator boasts incredibly low noise level less than 75db for whisper operation

ULTRA CLEAN POWER

Up-to-date AiPower inverter technology provides high quality clean output for computer, hi-fi, medical instruments and precision testing equipment

ULTRA COMPACT SIZE

Unique silent cover structure makes its size compact while allows silent operation

ULTRA LONG RUN TIME

10.5Hrs continuous run time for a filling 26L tank

ULTRA MOBILITY

4x7" wheel for easy transportation

EASY PARALLEL CONNECTION

Connecting with any other AiPower inverter generators to use together for more power

FUEL EFFICIENT

10.5Hrs and fuel consumption 2.35L/H at 50% load

MULTI-SWITCH

It's simple as START-RUN-STOP to on/off for engine, choke and fuel

ECO THROTTLE

Automatically adjust engine speed depending on electrical load, which results in excellent fuel economy and makes a quiet generator even quieter

REMOTE CONTROL

Push button key start and remote control start

AT-A-GLANCE 3-IN-1 LIGHTS

Indicates generator status on output, overload and low oil alert

BUILT-IN FUEL GAUGE

Helps remind you when you need to refuel without having to turn the generator off
