

Carbon Offset Certificate

This carbon offset certificate is proudly presented to:

ENERGY PRO HUNGARY Kft

This Certificate guarantees permanent retirement of 100 tonnes of CO2 equivalent on behalf of the company.

The carbon footprint will be appropriately offset with several projects from the NGX Climate Portfolio, including projects in Clean Energy.

Emissions will be retired from the public registers of the Next Green Carbon Crediting Program.

DIRECTOR

A handwritten signature in blue ink, appearing to read "M. P. O.", written over a horizontal dashed line.

NGX CERTIFICATE:

N: HU/01/2024

10/04/2024

Certification Period:
2023-2024
